## There are 10 Days of the Contest Left

### MISS BESSIE PAINE IS QUEEN OF CONTEST

Miss Kathleen Rounds, Second;  
Miss Bertha Mahlum, Third.

The public in the territory covered by the Dispatch is thoroughly aroused. The last quarter of the race is being run and it is the most exciting of the whole course. First one is in the lead and then another. Pick out your favorite and place your subscriptions for her. Have pride enough in yourself to back up your opinion. If you see someone's name on the list you fancy or know would like to see the owner of "The Dispatch," go to work and boost her along. Just go a little out of your accustomed track and get others interested in your choice. You will find this almost as exciting as running in the race yourself. In reality you will be in it.

#### PICK YOUR FAVORITE

Pick your favorite and then stand by her. If you haven't voted for her yet do so at once. If you have promised her your subscription and you haven't fulfilled your promise, do so today because your favorite will receive triple votes for your subscription until Wednesday night.

#### TAKE WARNING

You contestants who did not get in all your subscriptions and promises last week you do not want to fail doing so this week because after 10 o'clock Wednesday night, positively a less number of votes will be issued on each and every subscription until the close of the contest. Remember!

### REGULARS ARE LIKELY TO WIN

Appear to Have Best of It in Contest to Amend Rules.

#### CLARK COMPROMISE PLAN

Republican Members of House Rules Committee Practically Agree to Report Democratic Leaders' Proposition Permitting a Majority of the House to Recall a Bill After Notice and Place It on the Calendar.

Washington, June 17.—The regulars are ahead and probably will win in the race in the house between the standpat Republicans, progressives and Democrats to beat to a liberalization of rules that they may claim credit before the country.

The Republican members of the house committee on rules practically determined to report the Clark compromise rule which permits a majority of the house to take from any committee a bill after notice and place it on the house calendar, from which it can be taken in regular order and considered.

The Democratic leader offered his resolution amending the rules after conference with the Democrats and as a compromise measure between the more or less complicated plan proposed by Representative Sherley and the more direct and drastic plans submitted by Representative Madison and Fish, progressives. With prospects bright for the speakership Mr. Clark did not desire to see enacted a rule taking all power from the speaker.

The progressives demanded that any legislation desired by a majority of the members of the house should be permitted to come from committee and rules which blocked the house from getting such legislation defective. In this view Mr. Clark concurred. His rule permits a member to give notice of intention to call up any measure in committee and if a majority of the house sustains him the bill shall be put on the house calendar.

It is believed this will satisfy the progressives, who waited to shape their course on the action of the committee on rules. By reporting such a rule the regular Republicans believe they will spike the guns of both progressives and Democrats and take to themselves all credit for liberalizing the house rules.

#### Badly Expressed.

A London restaurant has this notice displayed in various parts of its dining room: "Any incivility or inattention on the part of any of the employees of this establishment will be considered a favor if reported promptly to the proprietor."

#### Tactless.

A woman who took refuge in a London shop during a heavy rain and remarked how quiet there was with the owner was annoyed because his explanation of dull business was: "But just look at the weather! What respectable lady would venture outdoors in it?"

#### AMBASSADOR LEISHMAN.

Will Investigate Chariton Murder Mystery in Italy.

#### GOOD ROADS FOR MONTANA

Enthusiastic Convention in Session at Billings.

Billings, Mont., June 17.—Delegates are still arriving from all parts of Montana to attend the good roads convention. The governor, lieutenant governor and many senators are attending. At the first session Harry Yeager of Lewistown was elected temporary chairman.

The afternoon was taken up by speechmaking at the leading theater, where all sessions will be held. The greatest interest is being manifested. The principal event of the convention is the education of farmers along the line of improving roads with the material in them, also for the purpose of causing legislation to be enacted at the coming session of the state legislature whereby bonds may be voted by each county for general road building.

One of the interesting subjects discussed was that of convict labor on state roads by Curtis Hill of Missouri. The convention is the largest ever held in Eastern Montana and expressions on every hand are that it is the beginning of a movement which means better roads throughout Montana.

### BIG RAILWAY STRIKE LIKELY IN CANADA

Fifteen Thousand Conductors and Engineers May Go Out.

Montreal, June 17.—Representatives of the Order of Railway Conductors and the Brotherhood of Locomotive Engineers are here making preparations for the calling of a strike of the 15,000 members of the organizations employed by the Grand Trunk and Canadian Pacific railways in Canada in case the report of the board of conciliation goes against them.

The board was appointed some weeks ago to consider demands for higher wages and it is expected to be made public at Ottawa any moment. The union officials anticipate that the report will be adverse to their demands.

It was stated by the union officials that should the board's report prove unsatisfactory they will approach the railroad officials once more before calling a strike.

#### AGREE TO HOLD CONFERENCE

British Leaders Will Discuss Veto of House of Lords.

London, June 17.—The prime minister, Mr. Asquith, and A. J. Balfour, the leader of the opposition in the house of commons, have had several meetings during the week and an agreement between them has been reached with reference to holding a conference on the question of the veto of the house of lords. The conference will probably be the premier, the Earl of Crewe, Chancellor Lloyd-George and Augustine Birrell, representing the government, and Mr. Balfour, Lord Lansdowne, Earl Cawdor and Austen Chamberlain in behalf of the opposition. It is expected that the conference will assemble in a day or two.

#### Dakota Receiving Texas Cattle.

Bowman, N. D., June 17.—Trainloads of cattle are being shipped from Mexico and Texas to the southwest part of the state, where they are banded and then turned out on the ranges to graze in the summer months. Three thousand head have arrived at Marmarth, in the extreme southwestern part of the state, and 4,000 more head are expected. Many other towns on the Milwaukee extension are also receiving large shipments of Texas cattle.

#### Iowa Town Has Serious Fire.

McGregor, Ia., June 17.—Fire destroyed the B. B. elevator, power house, brewery, bottling works and three residences, also the coal sheds and several cars. The loss will reach \$60,000. All traffic on the Dubuque division at this point has been abandoned until the tracks which are covered with coals and grain, can be cleared.

### RING BATTLE TO OCCUR IN RENO

Nevada Town Will Be Scene of Jeffries-Johnson Fight.

#### PROMOTERS ARE AGITATED

Believing That There Would Be No Contest the Sporting Fraternity Is Canceling Orders for Special Trains and Tickets to the Arena—Rickard Positively Declares the Mill Will Take Place on July 4.

San Francisco, June 17.—"The fight between Jeffries and Johnson will take place on July 4. If not in San Francisco, then I will pull it off in Reno, but the fight will be held on the date set and I shall keep my promise."

This statement was made by Tex Rickard. Rickard continued as follows:

"Once for all I want to remove all fear that Jeffries and Johnson will not meet in the ring on July 4. There need be no cancellation of special trains or tickets. Those who intended coming to San Francisco can come as planned and feel assured that they will see the fight."

The statement of Rickard was made soon after Southern Pacific officials advised the promoter that six special fight trains had been canceled. Rickard was greatly agitated by this information and also over the fact that many orders are being received to cancel or resell fight tickets.

Rickard admitted he did not have the slightest hope of pulling off the fight in San Francisco and that every day of indecision as to where it would take place merely increased his financial loss.

"If the court grants an injunction here I leave for Reno Sunday morning and will immediately commence erection of an arena there," he said. "My attorneys have advised me not to buck the governor and attorney general, but I have agreed to wait until Saturday. It is a bitter pill for me and a heavy loss, but I will take my medicine and keep my word to pull off this fight if it's the last thing I do."

For once Rickard was "fight sick." He did not deny it. While not yet ready to announce so officially, the promoter virtually admitted that the fight would take place at Reno.

#### WORK STOPPED ON ARENA

Jeffries-Johnson Fight Will Not Be Held in Frisco.

San Francisco, June 17.—That the Jeffries-Johnson fight will not be held in San Francisco or elsewhere in California is generally admitted, a conclusion in which sporting circles grudgingly concur. Tex Rickard, promoter of the bout, is so certain of this that he has declared his intention of suing Governor Gillett and Attorney General Webb for alleged damages sustained because of intervention by state authorities.

While no legal steps have been taken as yet against any of those concerned, Promoter Blot of the Langford-Kaufman fight, slated for Saturday next, is in no better case. He has the published assurances of the attorney general that that official will file application for an injunction against the match. Blot declares he cannot see how his twenty-round bout can be prevented and says he will hold it as scheduled, but his voice lacked conviction when he said it.

As to the big fight, Attorney General Webb said that he would not bother with an application for a temporary restraining order, but would ask for a permanent injunction. He expected to have his application on file within a few days. Rickard does not intend to contest. He said he would immediately transfer the match to some other state if the court ruled against him. He does not look with favor on a long legal battle.

The only real action of the day in the big fight mixup was a disconcerting one for fight fans. Work was stopped on the construction of the arena. The men were laid off.

#### AFTER THE ALTITUDE RECORD

Walter Brookings Takes High Flight in Biplane.

Indianapolis, June 17.—Trying for the aeroplane altitude record Walter Brookings, in a Wright biplane, rose to a height of 3,700 feet in twenty-four minutes at the Indianapolis speedway. The record, 4,384 feet, was set by Brookings last Monday and at the highest point of his flight a computation based on the altimeter observation was officially announced as showing the aviator had risen to 5,000 feet. An error corrected by the aneroid barometer, attached to Brookings' machine showed his highest altitude to have been 3,700 feet. Brookings was in the air fifty-four minutes.

#### Senate Passes Statehood Bill.

Washington, June 17.—After remaining on the senate calendar for almost three months in a state of uncertainty as to its fate the bill providing for the admission of the territories of New Mexico and Arizona to separate statehood was taken up by the senate and passed after a debate consuming little more than two hours.

#### CHARLES N. FOWLER.

Introduces Resolution for Committee on Committees.

#### COMMITTEE ON COMMITTEES

Representative Fowler Introduces Important Resolution.

Washington, June 17.—Representative Fowler has introduced a resolution requiring the rules committee to report a rule to the house at the beginning of the next session providing for a committee on committees. It was referred to the rules committee. Speaking of his resolution Mr. Fowler said:

"The issue is a simple and naked one. Are you in favor of Cannonism, with all its crimes of political blackmail and political corruption, or are you against it? That is the question."

"There is no possible doubt of the unfaltering purpose of the progressive Republican members to destroy the one man autocracy in the house. Will the Democratic members hesitate to join and aid in this purpose despite the declarations of their last national platform?"

### QUESTIONS METHOD OF ACQUIRING LANDS

Resolution in House Relating to Idaho Holdings.

Washington, June 17.—Representative Poindexter, progressive Republican of Washington, introduced a resolution attacking the acquisition of timber lands in the state of Idaho by the Weyerhaeuser lumber syndicate, which is charged with being a "trust," and proposing a congressional committee of three to investigate conditions.

The committee is asked to ascertain if the lumber syndicate is not operating in restraint of trade; if its holding in certain sections should not be declared invalid on the grounds that they were obtained by fraud and whether any of the officials of the United States land office at Coeur d'Alene or of the general land office or the interior department are guilty of participating in the alleged frauds.

Mr. Poindexter's resolution recites that the Edward Rutledge Lumber company and other companies forming the Weyerhaeuser syndicate have secured control of large areas of valuable timber lands in the Marble Creek district in Idaho. It is alleged that many of these lands were secured by fraud and at far less than their market value and that many settlers were forcibly dispossessed of their holdings by the lumber trust.

The manner of acquiring much of the land is related in Mr. Poindexter's resolution and incidents cited where settlers were killed and the murder of others threatened.

#### DALE IS GUILTY OF MURDER

Sentence of Ten Years Recommended for Gina Lien's Slayer.

Rugby, N. D., June 17.—The jury returned a verdict of guilty of murder in the second degree against L. W. Dale, recommending a sentence of ten years in the state penitentiary.

Dale was charged with causing the death of Miss Gina Lien of Union, N. D., whose demise occurred in Minot about a year and a half ago from an operation. Dr. Thor Moeller was convicted of being implicated in the case, but secured a new trial, which is now pending.

Attorney Tracy R. Bangs, for the defendant, stated that there was no certainty as yet of an appeal.

#### North Star Shoe Company Sold.

Minneapolis, June 17.—R. E. L. Winter and R. E. McDonald, representing the O. J. Lewis Mercantile company of St. Louis, bought the stock in trade of the North Star Shoe company for \$147,300, in competitive bidding, after the most remarkable auction sale ever witnessed in the commercial history of Minneapolis.

#### Boy Commits Suicide.

Grand Rapids, Wis., June 17.—Frank Sokolski, seventeen-year-old son of George Sokolski of the town of Sigel, committed suicide by taking Paris green. When found he was too ill to make any explanation.

### GUNS WILL ROAR AT NEW YORK

#### OVERRULES THE OBJECTIONS

Court Permits Corroborative Evidence in Browne Trial.

Chicago, June 17.—Fourteen objections by the defense against the admission of testimony of State Representative Myers, Ling and Beckemeyer, in the trial of Lee O'Neill Browne for bribery, were overruled by Judge McSurley after five hours of argument. This permitted the first corroborative evidence in support of the story of Representative Charles A. White that he was paid \$1,000 by Browne for voting for William Lorimer for United States senator.

Myers was the first witness for the prosecution, following the sweeping aside of the objections of the defense. His testimony was in effect that Browne had called him aside on the day of the election of Lorimer and asked for his vote, saying that there were lots of jobs and plenty of the "ready" for those who voted for Lorimer.

Representative H. J. Beckemeyer of Carlyle then took the stand. Beckemeyer made a confession before the grand jury following the exposure of White's confession. Beckemeyer corroborated White on every point. Beckemeyer said he was called to St. Louis, as White had been there, and was handed a "package" by Browne, who remarked "There is your Lorimer money." Beckemeyer said he opened the "package" and found \$1,000 in \$50 bills.

The defense promised to introduce a "confession" on its side of the case. Attorney E. C. Erbsstein of counsel for Browne returned from a trip out of town and declared he had found a witness who had confessed to entering into a plot with White to obtain money from Browne and Lorimer.

It was declared that the confession to be sprung by the defense will prove that a "blackmail plot" existed.

#### PRISONER JUMPS FROM TRAIN

Fears Lynching and Makes Second Effort to Escape.

Kansas City, June 17.—Fearing lynching if he reached Stillwater, Okla., where Sheriff W. A. Fox was taking him to answer a charge of murder, James Chapman, a negro, leaped from a speeding train near Shannon, Ia. His right arm was broken in two places, his face cut, his neck sprained and his body bruised. The negro was brought here for treatment. He will live.

Chapman was extradited from Edmonton, Can. It is charged he murdered Lawrence Matthews, a wealthy farmer of Stillwater, by poisoning him on Jan. 5, 1909.

Chapman jumped from the train near Minot, N. D., and was recaptured, comparatively uninjured, after a chase.

#### The Partisan

"Benson was a good friend of mine, and I hated to lose him. He always wore a cheerful smile and seemed in the best of spirits. It will be hard to find another fellow so genial, so full of the joy of life."

#### Walks to Death in River.

Spring Valley, Minn., June 13.—A most uncommon suicide has just occurred here. Sibert Hermann, a tailor, who came here from Austin, Minn., a short time ago, evidently tired of life, got up early, went to the river at the foot of Broad street, removed his coat and hat as if he was going to do something very commonplace, waded into the stream to the depth of about a foot, folded his hands and then lay face downward in the water. Before he could be reached he was dead.

### Colonel Roosevelt to Be Given Noisy Welcome.

#### PLANS ARE ABOUT COMPLETE

Battleship South Carolina Will Fire National Salute When the Kaiserin Auguste Victoria, With Her Distinguished Passenger on Board, Comes Into View—Naval Demonstration Will Then Take Place.

New York, June 17.—Twenty-one guns, the national salute, will greet former President Roosevelt as he first enters the outer harbor of New York on his return to this country, which is expected to occur about 9 a. m. Saturday. The battleship South Carolina, to be stationed in the Ambrose channel, will thus notify an expectant city that the Kaiserin Auguste Victoria and her distinguished passenger are close at hand at last.

In completion of the naval demonstration that will follow Chairman R. A. C. Smith of the harbor display committee announced the list of vessels and the line of formation. Final instructions were also given to all captains. Eighty warships, harbor patrol boats and other steamers will take official part in the parade up the Hudson river and back to the Battery. In addition a flotilla of 150 merchant steamers will carry sightseers down the bay to witness the transfer of Colonel Roosevelt and his party from the ocean liner to the Androscoggin, the revenue cutter that will bear the welcoming party and Colonel Roosevelt in the parade.

As the former president boards the Androscoggin a salute will announce that he is once more under the American flag. For two minutes following the combined flotillas will join in a deafening blast of whistles.

Escorted by revenue steamers, police patrol boats, the South Carolina, five torpedo boat destroyers and the government dispatch boat Dolphin the Androscoggin will lead the river parade. When Colonel Roosevelt is landed at the Battery the formal welcome by Mayor Gaynor will proceed. His speech and that by Mr. Roosevelt will be the only addresses and the land parade will start immediately.

New York began final preparations for the reception in earnest. Despite rain and clouds the decorating of the city for the event went steadily ahead.

In other ways the near approach of the Roosevelt reception was impressed upon the city. One of these was the influx of visitors which has already begun. Hotel registers gave the best proof of this. Even Alaska loomed up large when word was received from Governor Clark of that territory that former Governor W. B. Horget will arrive here in time to represent him in the ceremonies.

#### KNOX MAY LEAVE CABINET

Can Obtain Pennsylvania Gubernatorial Nomination.

Washington, June 17.—Secretary of State Knox may retire from the cabinet to run for governor of Pennsylvania. The rumor is insistent here. The secretary returned late from Philadelphia, where he was in conference with Senator Penrose. He denied himself to all callers, pleading fatigue. It is said he has the offer for nomination under consideration. It is admitted he can have it if he will accept.

The Pennsylvania leaders are alarmed by an unexpected revolt among the voters of that state. The fight on Representative John Dalzell in Pittsburgh and his possible defeat has warned the organization men that political conditions are not as they would have them.

There is danger of the Democrats capturing the state legislature. The seat of Senator Oliver is at stake, as the next legislature will elect a senator for a full term. Senator Oliver has won in the Republican primaries and will be re-elected to the senate if the legislature is Republican.

There are a number of Republican candidates for governor, but Senator Penrose and other Pennsylvania leaders are taking no chances. They believe Secretary Knox not only can win but can carry the legislative ticket with him. For this reason, it is said, Secretary Knox has been urged to take the gubernatorial nomination.

#### CLODBURST IN HUNGARY

Budapest, June 17.—Nearly 300 persons were killed and several villages annihilated by a cloudburst in Krassos-Szoreny, a county of Hungary bordering on Transylvania, Roumania and Servia. The capital of the county, which is mainly peopled by Roumanians, is Gagos.

Monotony in Diet.  
It is not only human beings who object to monotony in diet; flesh eating animals do the same. Rats soon die if they can get nothing but boiled flesh. After a time they refuse to touch it and prefer to starve rather than eat the flesh. Birds differ in this respect from flesh eaters, as they may be fed in captivity for years on the same kind of seeds without any harm.

Some of the most prominent men in the mining world visited Crosby recently. They were W. H. Rogers, of Buffalo, N. Y., head of the great Rogers-Brown Iron Co., and subsidiary companies; H. S. Scared Into Sound Health

Mr. B. E. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder, which grew worse until I became alarmed at my condition. I suffered also with dull heavy headaches and the action of my bladder was annoying and painful. I read of Foley Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was again normal, and I was free of all distress." For sale by all druggists.

The Conservation of Nature's Resources

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I., realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." For sale by all druggists.

Jobbers on Northern Trip.

St. Paul, June 13.—St. Paul wholesalers, manufacturers and bankers to the number of thirty-eight, accompanied by a band of twenty-five pieces and several railroad representatives, left for a six days' trip through Northern Minnesota. The object of the jaunt is to visit the members of the retail trade at their places of business, and become better acquainted with the business men and the resources of the sections in which they live.

Popular Jokes.

The most popular joke which has been published in any language in the history of the world is stated to be that which appeared in an obscure corner of the Punch almanac for 1845. It read, "Advice to persons about to marry—Don't!" It would be interesting to know who was its author. Another, founded on a similar subject, was the "Advice to persons who have fallen in love—Fall out!" One of the most brilliant things that ever appeared in our contemporary was the brief dialogue between an inquiring child and his impatient parent: "What is mind?" "No matter." "What is matter?" "Never mind."—Westminster Gazette.

Ambiguous.

She—Do you prefer an ugly woman with brains or a pretty woman without any?

He—Madam, I prefer present company to either.

(And she is still wondering exactly what he meant.)—London Tatler.

What a Summer Cold May Do

A summer cold if neglected is just as apt to develop into bronchitis or pneumonia as at any other season. Do not neglect it. Take Foley's Honey and Tar promptly. It loosens the cough, soothes and heals the inflamed air passages, and expels the cold from the system. For sale by all druggists.

There is to be given by the Yeomen of Nokay Lake an old fashion picnic on Sunday, June 19th. Come one and all and enjoy the day on the banks of Nokay lake.

Mrs. Ray Cook has purchased a horse of Brick Canon, for use on his farm.

Mr. R. E. Dickinson came down off the M. & I. Saturday night and he and his family spent Sunday with his parents at Nokay lake.

Mr. R. H. Carr and Mr. Green of St. Paul, spent three days at the home of Mr. and Mrs. J. H. Dickinson last week. Ask them about the fish, especially the pike.

The Flak ball team played the Nokay Lake team last Sunday. There was a big crowd to cheer both teams but Nokay Lake carried the day.

Fred and Charley Rosenkranz are certainly doing a fine job of clearing for J. C. Barber, just west of the J. H. Dickinson place. It looks nice to the public as they drive by and comment on the improvement. Let the good work go on.

Miss Agnes Erickson has closed her school and returned to her home at Anoka, Minn.

The Glorious Fourth of July will soon be here and Nokay Lake will celebrate again this year at the Dickinson place. Big dance all the afternoon and night at the hall. All those that have attended the dances there this season can tell you if they had a good time. Watch for the hand bills.

All those coming to Nokay want to drive around J. C. Barber's boulevard, it being just completed, around Dog lake. It is certainly a fine drive.

Mr. Elmer Tolefson has purchased a fine driving horse. He now has a nobby team.

THE NEWS BOY.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedial treatment of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

Sold by all Druggists. 75c. Take Hall's Family Pills for Constipation.

## BRAINERD HIGH SCHOOL ALUMNI

The Roster as Read by Mrs. J. A. Thabes at the High School Alumni Banquet

### GIVES NAMES AND ADDRESSES

The First List of the Members of the Brainerd High School Alumni Ever Published

One of the most important numbers on the program at the recent high school alumni association banquet was the reading by Mrs. J. A. Thabes of the complete roster of graduates of the Brainerd high school, giving also, where possible their addresses and business.

## FIRE ON SOUTH SIDE

Deserted Building at Northeast Corner of Sycamore and Sixth Sts. On Fire

The fire department was called out at 9:40 this morning to the northeast corner of Sycamore and sixth streets. An old deserted house on a story and a half high known as a tax title property, was on fire.

The blaze, which was confined to a corner of the roof and a place near the chimney was quickly controlled. The house is situated immediately south of John Wise's residence, 633 south sixth street. More damage was really done to Mrs. Wise's patch of beans and onions than the old shack of a house. Assisting the department were various citizens including T. L. Truss, of the Bijou theatre, formerly secretary of the state firemen's association of North Dakota.

## EPWORTH LEAGUE CONVENTION

The convention rally will be held at eight o'clock this evening. Addresses of welcome will be delivered by Rev. A. L. Richardson and Louis Hallum, of Aitkin. The reply, on behalf of the visiting delegates will be made by Rev. Charles Fox Davis, who takes the place of Rev. E. K. Copper, D. L. district superintendent. Rev. Davis will also preach the convention sermon Sunday morning.

To the People of Brainerd Who Are Interested in the Future of Our City

A splendid investment is open to you. Do you care to have some shares in the most valuable dividend paying stock now to be had in the city. The Young Men's Christian Association is now again open and under the efficient leadership of the president secretary and his able assistant it bids fair to become an uplifting moral force in the city. There is space in the dormitory, which, with little expense can be made in eight lodging rooms, for two men in each room. Would it not be a worthy work for some individual; some of the churches; Woman's Missionary societies; Young People's societies; or any other interested organization, to come in and select a room and furnish it with such furniture as would make it comfortable, convenient, and home-like, for some of our noble young men who are working in our city? And with these rooms once furnished they can readily be rented and become a constant source of revenue to the association. Is this not worth considering?

It would make the building more home-like if there were cash curtains on all the lower windows and some large comfortable rocking chairs in the rooms. Anyone who has some books of fiction (up-to-date) we could easily find room and readers for them. It would also add to the convenience of the members if there was a wall clock in the reading room, and also one in the lobby. The secretary would find it very convenient if there was a typewriter (a machine) on his desk.

Interested citizens, it is worth while to help make this association an attractive and helpful home for the young men who are in our city. We who have boys and have been young ourselves believe it to be the very best paying investment Brainerd has to offer today.

EDWARD CRUST,  
Pres. Board of Directors.  
T. T. BLACKBURN,  
Secretary.

## An Unintended Error.

The Critic—in the tv fifth chapter of your novel you say, "As Clifford Dangerfield came slowly up the long garden walk Clarissa, with maidenly admiration, gazed upon him."

The Author—Well, isn't that all right?

The Critic—Hardly. How can Clarissa "gaze" after she has been blinded?

The Author—After she has been blinded? What are you talking about? The Critic—Why, in the previous chapter, in which you describe Clifford's planning tall, you say, "For a long, fascinating minute Clarissa rested her beautiful brown eyes upon the swiftly revolving buzzsaw."—Atlanta Constitution.

## R. J. TINKLEPAUGH

"Upstairs"

### First National Bank Block

Did you ever stop to realize that more city property has been sold in the last year than for the last ten years in Brainerd.

You may know what that means if you are a renter. You know too that if you buy a "home" reasonable that you have that satisfaction of not having to "move out" on thirty days notice as "house sold." And then again, one can make improvements from time to time and not notice the expense—only when you find a buyer—getting more than your rent free too.

Let me speak a word to the man that has a home and a little money that we have received our share of sales in city property and have no client that could not make money by selling now—we have the facts.

A home for some one situated on North side, an eight room house, bath, city water, cement basement, in fact everything to make it an ideal home. Barn. Right on the best street—Price \$2500.

Small house on south sixth street, two lots, has been newly painted and papered throughout. Almost new condition.—Price \$650.

One of the finest little six room cottages on North-side is placed in our hands for short time. Modern except heat, and in good location with East frontage—Price \$2500.

A very neat six room house on south sixth street, two lots with trees, nice lawn, etc., and in very fine condition throughout.—Price Cash \$700.

A corner of two lots and about a seven room house, barn, east frontage, good condition—Price \$1100.

Small house in good condition on south fifth street, offered for short time only—Price \$550.

A nice little place on south fifth street with plenty of room too. A bargain at \$650.

Here is a genuine "Bargain," an eight room house Northside, one and one half lots and in good condition inside; is worth \$1500, but owner living in California says sell, and am offering it for only about half what it is worth—Price \$800.

I have a nice little place on East Norwood street and in good condition at only \$650.

Brick-veneer house of about six rooms and good lots, well worth three hundred more. We can offer this for a short time at only \$600.

It will pay you to look this up.

Two small cottages in Northeast Brainerd, is now renting for \$14.00 per month. Why not buy and rent one and have the use of the other for nothing. Come up and let me show you these and at the price is "cheap" Price \$1000.

We still have the eight room house on North-side, "close-in" three lots, east frontage, trees, etc. An ideal home for someone. Price \$3000.

Come up and let me show you this as these kind are scarce

A very neat little cottage on north fifth street, in good location and at only—Price \$1000.

House in good condition on south sixth street, with east frontage, at only—Price \$1000.

House, barn, sheds, in good location in Northeast Brainerd, on corner with two lots, well worth looking up at the price—Price \$1000.

Small house on Pine street Southeast at only \$550.

If you have a house you wished sold or land either farm or mineral, come up and let us talk it over.

## QUESTIONS IN COURT

A Series That Moved an Observer to Turn Critic.

## SOME GEMS HE PRESERVED.

The Lawyers Didn't Seem to See the Ridiculous Phase of the Inquiry, but It Loomed Large to the Man With an Idea That the Law Is Solemn.

A man who spent several days in a courtroom listening to the examination of veniremen was struck with the reflection that some shining legal minds would not be unduly dimmed by the infusion of a few of the principles of logic. The time taken up by attorneys in drawing the conclusion that a juror who lives at a given address makes his home there and then referring the conclusion to the juror for confirmation has not been computed, but any one mathematically inclined may figure it out by multiplying the following examples by any handy large round number:

"What is your occupation?"  
"I am a switchman."

"On a railroad?"  
The obvious answer which the juror's awe of his surroundings prevents him from making would be, of course, "No, in an ice cream parlor."

"Judge," said a juror, "I would like to be excused from service. When summoned I was making arrangements for my brother-in-law's funeral."

"Is your brother-in-law dead?" inquired the court.

It developed that he was.  
"Now, Mr. Juror," came another question, "what is your age?"

"Forty-four."  
"Forty-four years old?"

That is exactly what the juror meant. The lawyer guessed right the very first time.

Here is another flash that came to one of the attorneys. "Where do you live?" he asked.

"At 416 Blank street."  
"You reside there, do you?"

Once in awhile there is a funny answer which isn't to be wondered at considering the power of suggestion.

"Are you married?"  
"Yes."

"Any family?"  
"Two."

But the balance is well on the lawyers' side. Witness this: The questioner had asked if a juror was related in any way to any of the principals or witnesses in the case.

"I am a brother-in-law of Mr. Blank, one of the witnesses," was the reply.

"You married his sister, then?"  
He had.

"Let me ask you now, Mr. Juror, have you formed any opinion about the guilt or innocence of this defendant?"

"I have."  
"Is it a fixed opinion or is it one that could be changed by evidence?"

"It could be changed if the evidence were strong enough."

"Then you would not call it a definite opinion?"

"No."  
"It is a vague opinion, then?"

"Yes."  
"Now, Mr. Juror, follow me closely if you please. You say your opinion is a vague one and not definitely fixed. Now, then, if that is the case and you went into that jury box and listened to the evidence adduced from that witness stand and heard the law expounded by the judge from that bench, would it not be possible for you to lay aside that opinion and concur in a verdict warranted by the evidence and the instructions of the court?"

"Yes."  
The attorney, having received the same answer to his long question as to his short one, is perfectly satisfied and throws a triumphant look at his colleague, which says, "I knew I could get it out of him if I kept at him long enough."

Here is another astonishing deduction: A juror took the stand dressed in a blue uniform with brass buttons. Around his belt was strapped a money changer. The examining attorney looked at him long and searchingly and then said in a tone which admitted of no trifling:

"You are a street car conductor?"  
It was the same attorney who forced this confession from another juror:

"What is your occupation?"  
"I'm a bookkeeper for Blank & Co."

"You keep books in the office?"  
Unmasked, the bookkeeper broke down and made a clean breast of it.

"Now, Mr. Juror, be good enough to state how old you are."

"Fifty-six years."  
"How long have you resided in this state?"

"Fifteen years."  
"Then you were not born here?"

The trapped man admitted the truth. Here is another:

"Were you born in Missouri?"  
"No, sir."

"Oh, I see. Then you moved here from some other state." And then in a "come-come-don't-delay-the-court" tone of voice, "Where did you come from?"

"Chicago."
